

**Option 1:** The company will cover up to two bow re-hairs and one broken bridge only, PER YEAR. The company agrees to cover basic shipping both ways for these repairs. I agree to continue to pay for the remainder of what is owed toward the instrument until it is purchased – regardless of loss, theft, or total loss relating to damage.

**Option 2:** The company will cover all necessary repairs to keep the instrument in good playing condition, except total loss related to damage, theft, and loss. The company agrees to cover basic shipping both ways for these repairs. I agree to continue to pay for the remainder of what is owed toward the instrument until it is purchased. If the instrument must remain at the shop for more than 10 working days, at my request the company will send a replacement instrument at no cost instead. I must then return the damaged instrument.

Accessories are not covered regardless of which option I choose. This includes – but is not limited to – strings, shoulder rests, shoulder rest bags and music stands. Cosmetic defects such as scratches or dents in the finish that do not affect the playing condition of the instrument will be repaired at the company's discretion. I understand that I may take the instrument to a local repair shop. If I do this, I must first get approval from the company, and I am responsible for all charges. The company reserves the right to charge me any additional repair fees if the instrument, having been repaired by an outside repair shop, does not meet up to the company's standards. Initials: \_\_\_\_\_ I agree to pay the additional amount of \$5 for **Option 1** coverage.

Initials: \_\_\_\_\_ I agree to pay the additional amount of \$10 for **Option 2** coverage.

Initials: \_\_\_\_\_ I do not want to pay the additional fee for the Extended Repair Coverage, and understand that I must cover any and all necessary repairs, as well as shipping the instrument to and from the shop.

**INSTRUMENT CONDITION:** I understand the instrument I receive is a WR50 model Paganini fully hand made instrument, with wooden bow (or Glasser bow by request) and shaped case, in either new condition, or used but in good, playable condition. (As a reminder, a used instrument often sounds and plays better than a brand-new one.) Initials: \_\_\_\_\_

**THEFT, LOSS, TOTAL LOSS:** If the instrument is lost or stolen while in my possession, or damaged to a point that a repair would cost more than the value of the instrument, I understand that I must still pay the remainder of what is owed to the company, regardless of coverage level. Initials: \_\_\_\_\_

**SHIPPING:** I agree to pay a one-time \$15 shipping charge at the beginning of this agreement. I must pay for any further shipping: returning, repairs without coverage, etc. I understand that any shipping that is covered by the company will be FedEx Ground/Home Delivery, and the delivery time can vary depending on where I am located in the country. If I want to have faster shipping, I agree to pay the additional cost REGARDLESS of how the instrument is covered. Initials: \_\_\_\_\_

**CREDIT REPORTS:** I understand that a credit report will be requested in connection with this application. I also understand that the company may request further reports from time to time in connection with any update, renewal, or extension of the account whenever the company deems it appropriate. I understand that, if my credit is unsatisfactory, my application will be declined, or a Refundable Deposit will be required in addition to the Initial Payment, in an amount up to \$250 at the company's discretion. Initials: \_\_\_\_\_

**DELINQUENT ACCOUNTS:** If, for any reason, I become delinquent on my account, the company will attempt to notify me either by the phone number listed above, or by notices in the mail. I understand that unpaid balances will accrue a \$5 late fee each month in addition to the regular monthly installment payment. I understand that if I have not responded by the time the fourth payment becomes due, the company will then assume that I intend to take full ownership of the instrument. I will then be charged the remaining price of the instrument. The company will pursue all legal activities to collect all applicable charges up to and including the full amount on my account, legal interest on the indebtedness, together with collection costs, plus attorney's fees and court costs as may be required to effect collection of this debt, with or without suit.
